NOTICE OF NAME CHANGE FROM)	DOCKET NO.
MCI WORLDCOM COMMUNICATIONS, INC.)	05-00205
TO MCI COMMUNICATIONS SERVICES, INC.)	

**ORDER GRANTING APPROVAL OF THE PETITION OF
MCI WORLDCOM COMMUNICATIONS, INC. TO AMEND ITS CORPORATE NAME**

This matter came before Chairman Ron Jones, Director Pat Miller and Director Sara Kyle of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this Docket, at a regularly scheduled Authority Conference held on October 17, 2005 upon the petition of MCI WorldCom Communications, Inc. ("MCI WorldCom" or the "Company") to amend its certificate of authority to reflect its corporate name as MCI Communications Services, Inc.

MCI WorldCom, originally known as WorldCom, Inc. d/b/a LDDS WorldCom ("LDDS"), was granted authorization to provide operator services and/or resell interexchange telecommunications services by the Tennessee Public Service Commission ("TPSC") on October 2, 1995 in Docket No. 95-03308. Subsequently, the TPSC granted LDDS authority to provide intrastate telecommunications services as a competing telecommunications service provider on May 30, 1996 in Docket No. 96-00780.

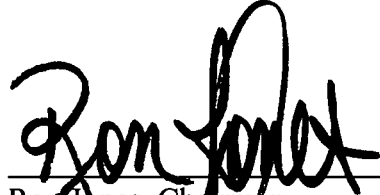

During a regularly scheduled Authority Conference held on July 15, 1997, the TRA approved a transfer of authority by which LDDS transferred authority to provide intrastate

telecommunications services as a competing telecommunications service provider to MFS Intelenet of Tennessee, Inc. ("MFSI-TN").¹

On January 30, 1998, the TRA issued an order in Docket No. 97-01361 approving the transfer of all assets and the certificate of MFSI-TN to WorldCom Technologies, Inc. ("WTI"). Following a reorganization of its corporate structure, WTI was renamed MCI WorldCom Communications, Inc.²

Based upon careful consideration of the record of this matter and upon a finding that the Company has met all the requirements of Tenn. Comp R. & Regs 1220-4-1-.08, the panel voted unanimously to approve the name change.

IT IS SO ORDERED.
